

Thank you for purchasing a PRO Tech model Da Brim[®] helmet visor! Our signature PRO line is made with the high quality and durability that professionals and their work environments demand.

We hope the Da Brim[®] product increases your comfort level while out on the job.

The PRO Tech Da Brim[®] helmet visor sunshade product is designed to be installed to a climbing or work-at-height helmet to be used while engaged in these activities ONLY. Do not use the Da Brim[®] visor other than as instructed herein and do not modify the Da Brim[®] helmet visor. Please see our website at www.dabrim.com for further information on products for use in other activities.

Da Brim[®] PRO Tech helmet visor installation is quick and easy!

If your helmet has a removable visor, you should remove the visor before installing the Da Brim[®] product. This product should not be used with helmets that have a non-removable visor.

Step 1. Begin with a loose adjustment strap.

Step 2. Hold your helmet at the center back with your thumb on the outside and grip the center back loop of the Da Brim[®] visor at the same place with your thumb.

Step 3. Place your other hand at the front of the product and rotate the assembly upside down. Push the helmet against your chest and slowly pull the visor over the helmet, seating the visor edge on the helmet. The black underside of the product should end at the bottom edge of the helmet.

Step 4. Flip the assembly over and tighten the strap by positioning your thumb at the rear of the helmet and pulling on the strap. Tuck the strap into the hole provided.

Step 5. Check for correct installation. Centers of helmet and Da Brim[®] helmet visor should align; if necessary, pull to straighten. Always ensure the strap is tight. The Da Brim[®] visor should always seat below the front helmet surface, as shown, to prevent detachment. Check by pulling upward on the front visor as if in wind flow—the product should not be loose or detach from the helmet. If the product does not seat as described herein, do not use the product with this helmet. Failure to properly seat the visor could result in the product unseating during use and startling you or others, or obstructing your vision, which may lead to serious injury or even death.

Step 6. After the visor is installed on the helmet, follow the helmet manufacturer's instructions for fitting the helmet. Then, while the helmet and Da Brim[®] visor are fitted, and prior to using the helmet and visor in any activity, check to ensure that the visor does not obstruct your vision. Pay attention to your peripheral vision. Should your vision be obstructed by the visor, remove the helmet and reinstall the helmet visor. After proper installation of the visor to the helmet, your vision should not be obstructed.

To remove the visor from the helmet, wait until you are at safe location and at a rest position, then disengage the visor by releasing the tension on the strap by pulling up on the buckle. Pull up on the visor and remove.

WARNING! The Da Brim[®] helmet visor is not a safety device. The PRO Tech model Da Brim[®] helmet visor is intended to be used as a brim for a climbing or work-at-height helmet while engaged in these activities. Do not use the Da Brim[®] except as intended. You are responsible for your own safety. The Da Brim[®] visor is not a substitute for a helmet and does not provide impact protection. The Da Brim PRO Tech visor is not fire resistant; do not use this product where you may come into contact with fire. Follow this product's instructions for proper use—failure to do so could result in serious bodily injury or death. Always follow the helmet manufacturer's warnings instructions; if a conflict between this product's and the helmet's instructions exist, follow the helmet's instructions.

WARNING! Adult Supervision Required. The Da Brim[®] product is not a toy. If not properly fitted and installed, the Da Brim[®] helmet visor may obstruct vision, which may lead to serious bodily injury or death depending on the activity. Additionally, the Da Brim straps may become entangled during certain activities such as swimming, climbing, or playing on playground equipment, which may lead to strangulation. Adult supervision is required to ensure the Da Brim[®] is installed correctly and used as intended.

WARNING! The Da Brim[®] product may affect the ability of the helmet to slide during a crash. The Da Brim[®] helmet visor may compromise the helmet's ability to slide during a crash. Failure of a helmet to slide during a crash may lead to serious neck or bodily injury, or even death. Do not use the Da Brim[®] product unless you are willing to assume all risks associated with use of the Da Brim[®] product.

WARNING! The life of the Da Brim[®] product may be less than 3 years. The life of the Da Brim[®] product may be affected by heavy use, exposure to the environment, and other factors. The ability of the Da Brim[®] helmet visor to be properly secured to the helmet may be compromised once visible wear or damage to the body, brim, straps, buckles, or fasteners exists. At such time, the Da Brim[®] product should be discarded or replaced. Without the ability to be properly secured to the helmet as described in the installation instructions, the product may not stay in position and obstruct vision while involved in the activity. Obstructing vision while involved in the activity may lead to a crash, resulting in serious bodily injury, or even death.

Limited Warranty & Disclaimer

Bryan Family Enterprises LLC (BFE) warrants to the original purchaser of the BFE product that the product shall be free of substantial defects in materials or workmanship for the warranty period. This warranty period shall be two (2) years from the date of purchase. This warranty does not apply to product damage due to heat, accessories, helmets, damage arising from a crash, defects or physical damage resulting from abuse, neglect, improper repair, improper fit, alterations, or use unintended by the manufacturer. **BFE DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY WARRANTY OF MERCHANTABILITY, NON-INFRINGEMENT, OR FITNESS FOR A PARTICULAR PURPOSE. NO REPRESENTATIVE OR PERSON IS AUTHORIZED TO CREATE A WARRANTY OR IN ANY WAY INCREASE THE SCOPE OF THIS LIMITED WARRANTY.**

Product Returns

During the warranty period, you may mail your BFE product to BFE with a letter indicating the specific reason you're returning the product and proof of purchase to the address listed below. If your returned product meets the warranty requirements in BFE's sole judgment, BFE shall approve your returned product ("Approved Return"). For Approved Returns, BFE shall at its sole option, either repair or replace your product free of charge. Product Return Address: Bryan Family Enterprises LLC, Attn: Warranty Department, 32108 Alvarado Blvd. #182, Union City, CA 94587

Limited Liability

TO THE EXTENT ALLOWABLE BY APPLICABLE LAW, BFE'S TOTAL LIABILITY TO YOU SHALL BE LIMITED TO THE COST TO REPAIR OR REPLACE THE BFE PRODUCT AND IN NO EVENT SHALL BFE BE LIABLE FOR ANY INDIRECT, SPECIAL, EXEMPLARY, CONSEQUENTIAL, OR INCIDENTAL DAMAGES.
